Profile

I come from a background in education, where I was able to develop my leadership, communication, and organisational skills. However, I have always been interested in development and I am now looking to establish a career in the industry. This interest has led me to recently graduate from a coding Traineeship as a full stack developer which includes, completing 2 real-world projects successfully to specification using a wide range of programming languages. I am a hardworking and loyal employee with excellent problem-solving skills and a drive to succeed. I am confident that I will make a valuable addition to your development team.
